IRON CROMO

Water-based acrylic finish for interiors and exteriors that, thanks to the special metal pigments, allows to create finishes of high aesthetic impact, with an innovative and refined design. Iron Chrome can be used both indoors and outdoors on different types of support, suitably prepared and is compatible with all gypsum, lime and civil supports.

- Quick and easy application
- Odourless
- Environment friendly and low VOC
- Highly customizable with respect to colours and effects
- Compatible with all paintable substrates
- Supports fragmented repair
- Adaptable in all concepts, classical, modern or fusion.
